HAIR PIECES AND
HAIR-INTEGRATIONS

MORE THAN SIMPLE
HAIR REPLACEMENT

WITH BELLE MADAME HAIR PIECES AND HAIR-INTEGRATIONS YOUR HAIR WILL REGAIN ITS NATURAL VOLUME!

Hair is like most things in life. Only when you are forced to live without it do you realise how important it is to you.

Recent studies have shown that more and more women today are suffering from thin, brittle hair and hair loss; even to the point of bald areas.

There are various reasons for this.

In addition to genetic or age-related reasons, hair loss can be caused by stress, environmental factors, frequent blow drying and colouring or even by poor nutrition.

BelleMadame®

Your own hair is supplemented and thickened through human or synthetic hair of the highest quality. Structure, colour and length of the hair-integration are selected to correspond to the natural characteristics of your own hair and thus give you a completely natural look.

Belle Madame®

HAIR IS A MATTER OF TRUST

When hair falls out the soul suffers too; a full head of hair symbolises vitality, attractiveness and self-confidence.

Until now there have only been few solutions for those who are affected. A whole range of hair thickening products promise a lot but deliver little.

Belle Madame hair pieces and hair-integrations, however, have been specially designed for these hair problems. They can be easily attached and set themselves apart through their unique comfort and natural look.

A difference to your own individual hair and hair growth will not be recognisable. The attachment of the hair piece or hair-integration system is carried out to be gentle to your own hair and cannot be felt, meaning that it feels like your own hair and you will very soon forget that you even have one.
