SECRET|HAIR<sup>®</sup> BONDING WORKSHOP

The hair systems for permanent bonding and full-head bonding form a unit with the scalp and are completely invisible. SECRET|HAIR<sup>®</sup> products are aimed at a demanding and dynamic target group and can easily withstand the stresses of sport, swimming and saunas.

**With us, you will learn all about the processing of SECRET|HAIR<sup>®</sup> products in a practical and customer-oriented way:**

- Care products and cleaning
- Bonding techniques
- Cutting and customising the hair

**LIVE-DEMO: Full-head bonding with medical liquid adhesive**

- Presentation + detailed explanation by professional trainer
- LIVE-DEMO on the model by the trainer:
  - full-head bonding
  - medical liquid adhesive (TRACK-POWER)
  - MICRO-SKIN-PLUS hair system

**TRAINING on the practice head: Give it a try yourself!**

Each participant receives a practice head and a test hair system, SECRET-SKIN or MICRO-SKIN.

Bonding is simulated with different bonding methods.

The number of participants is limited to 10.

**The workshops include the following services:**

- 5 hours of specialist knowledge and training by professional trainer
- Live model: realistic presentation
- Practice head and test hair system
- Lunch and workshop refreshment

**Dates and costs on request**
